- 3/ Approval for this FHP is granted, pending resolution to the 'regeneration of conifer areas' in a Manner that is satisfactory to SRD, before the submission of the 2010 Silviculture Plan.

Be advised that approval of DMI's **SULPHUR LAKE – P2200 Final Harvest Plan 2009-2010** does not transfer the accountability for the plan or its implementation from the DMI or the submitting Registered Forestry Professional (RFP) to SRD or its staff.
