

Mechanical Project Coordinator (Mechanical Engineer/Technologist)

An opportunity exists for a Mechanical Project Coordinator to join our Engineering Department of our Business Services Unit at Peace River Pulp.

As a **Mechanical Project Coordinator**, you will be a motivated individual with good interpersonal skills who will demonstrate commitment to our company's mission, vision, values and business plan. He/she will take a leadership role and be responsible in the development and implementation of multi disciplined capital projects.

POSITION CRITERIA:

Candidates must possess an Engineering Degree with a strong mechanical background and a minimum three (3) years of heavy industrial experience, or a Technology Diploma with a strong mechanical background and a minimum six (6) years of heavy industrial experience. Preference will be given to individuals that have Project Management experience with process piping and pressure equipment in an operating facility or a construction environment. API 510, 570, or National Board certification would also be considered an asset.

The successful candidate will be a team player who:

- Is willing to work with cross functional teams
- Is comfortable working with internal and external resources on projects
- Is safety conscious
- Is able to apply strong oral and written communication skills for conducting meetings and writing technical documents such as Authorization for Expenditures and Construction Work Packages
- Is strong in understanding and supervising construction activities
- Is able to manage projects through their full life cycle, from conception through to closure
- Is proactive with controlling project costs and schedules
- Is comfortable with computers and has knowledge of MS Word, Excel, and Project.
- Is able to plan, schedule and estimate
- Is familiar with standard construction techniques and engineering standards

BENEFITS OF WORKING WITH DMI:

- Salary dependent upon experience
- Medical, Dental, Vision, and Life Insurance
- Retention and Incentive Plans
- No probationary period
- Optional matching RRSP program
- Above average vacation package
- Paid sick time
- Relocation package available
- 2nd Mortgage Plan
- Modified Work Weeks
- Educational Assistance
- Medical Travel
- Non-union environment
- Plus many others benefits!

APPLICATION PROCESS:

Interested individuals should forward **cover letter** and a **detailed Resume outlining technical skills and work experience** in applicable or related situations. Please include as much information as necessary for the Recruitment Committee to be able to determine competence based upon experience

and performance. These areas will be explored in the formalized interviewing process. As well, please include the names of at least two work-related references, to PRPD's Human Resources Department. This competition will remain open until a suitable candidate is hired.

E-mail: career@prpddmi.com or fax (780) 624-7040 or toll free at fax: (888)-624-7040 or apply online at www.dmi.ca/careers/index.html. **Please quote competition number CN0933.**

We thank you for your interest with DMI, however, only candidates selected for an interview will be contacted.

LIVING IN THE PEACE COUNTRY

Nestled within the majestic valley of the Peace River, AB, the Town of Peace River enjoys one of the most beautiful physical settings in Alberta. The 6,315 citizens of this community are "Peace River and Proud", with the Town boasting a full range of adventure and recreational activities. As well as excellent educational facilities, cultural events, clubs and restaurants, there are also fitness activities - indoor pools, an arena, curling rink, ski hill, cinema and several kilometres of groomed walking/cross-country ski trails along the river – something for everyone!
