

DAISHOWA-MARUBENI
INTERNATIONAL LTD.

Summer Student Employment Opportunity

Daishowa Marubeni International Ltd, Peace River Pulp Division has opportunities within our Power & Recovery, Fibreline, and Pulp Finishing Business Units. Technician positions are available from April 30 until August 31, 2010.

Candidates must have Grade 12 or equivalent and enjoy working in a challenging environment. Operating Technician positions involve working on a revolving 28-day work cycle, where you work 14 days a month (a combination of 7 nights and 7 days).

POSITION CRITERIA:

- Ideal candidates for the **Power & Recovery** positions will be pursuing post-secondary education in the power engineering field.
- Ideal candidates for the **Fibreline** positions will be pursuing post-secondary education in one of the following technologies: Chemical Engineering, Chemical Technology, Electrical Engineering or Instrumentation.
- Ideal candidates for the **Pulp Finishing** positions will be pursuing post-secondary education in any discipline. This work term involves working in a physically demanding environment with 12-hour shifts on a fork truck.

APPLICATION PROCESS:

Qualified individuals should forward cover letter and a Resume, including references to the Human Resources Department by noon, April 05, 2010. Please quote competition number CN1005 for Power & Recovery positions, CN1009 for Fibreline positions or CN1013 for Pulp Finishing positions. We thank all applicants for their interest; however, only those selected for an interview will be contacted.
